Dear Parents and Families,

P.S. 101 is proud to announce that we have added a new program to our school called, *The Leader in Me*. *The Leader in Me* program empowers young people to make positive, effective, and responsible choices by introducing and reinforcing the 7 Habits, a set of leadership and life skills from Stephen Covey's book: *The 7 Habits of Highly Effective People*. The P.S. 101 staff will unite to infuse *Leader in Me* principles into our daily practices and curriculum. Our goal is to develop children who think and act as young leaders, and in turn find daily success both academically and socially.

In order for this program to truly be a success we need the support of our P.S. 101 families. We invite you to learn about and incorporate the habits at home as well, so we can all speak the same language and work together to achieve our goal. Please look-out for future letters informing you of our progress with the program and be sure to ask your child how he or she has been learning about *The Leader in Me* at school. Also, please visit www.leaderinme.org for more information and read the attached sheet for a brief overview of the 7 Habits. We are so excited to embark on this journey with you and look forward to creating our future leaders of tomorrow!

Sincerely,

The P.S. 101 Lighthouse Team
