REMINDER!

June 15, 2017

Dear Kindergarten Families:

We are pleased to invite you to our kindergarten "Stepping Up" ceremony on Tuesday, June 20th. Our little ones will be taking their giant leap to first grade with songs and celebrations to commemorate the fine job they have done in Kindergarten. Doors will open at 8:45 am, enabling families to take their seats. The ceremony will begin at 9:00 am sharp. **Please make child-care accommodations for any younger siblings, as space is very limited.**

Students will perform and sing some favorite songs and special surprises for you, along with a special photo montage of beautiful memories captured throughout the school year. Teachers will be hosting class party celebrations at the conclusion of the certificates. Ceremonies will be held in homerooms this year. **Due to space limitations and considerations, only 2 tickets will be given on behalf of each student to take part and enjoy the "Stepping Up".** We ask for your cooperation in advance.

We look forward to seeing you and your family on this special day, as we celebrate the accomplishments of our kindergarteners moving up to first grade.

If you have any questions or concerns, please feel free to contact our Parent Coordinator, Ms. Margaret Lloyd at 1-347-563-4680.

Please save the date: Tuesday, June 20th at 9 am start time- doors will open for seating at 8:45 am.

Sincerely,

Gregg Korrol
Principal
