

# PS 101 SERVICE LEARNING 2016-2017 Overview

1

## Student Council (Little Lighthouse Team)

The Student Council (Little Lighthouse Team), with the help of Mrs. Bova, worked on a number of service projects this year.

- The team took a monthly trip to King David Nursing Home in our neighborhood to spend time with the residents. Some of the activities they did were crafts, yoga, bowling, and Valentine's Day card making.
- The "Pie in the Face" and "Stuck for a Buck" events raised money for Pennies For Patients.

2

## 5th Grade Crochet Enrichment Group

A few select stars from Mrs. Lin's Enrichment Crochet group hand crocheted 39 caps. These students then worked with Mrs. Nessas to create and attach inspirational quotes and organize the donation to Maimonides Pediatric Center in Brooklyn. A special thank you to a friend of Mrs. Lin's, Debbie Indyke, who donated a portion of these hats toward the cause.

3

## School Wide Initiatives

- Mrs. Brocato held a Math-A-Thon and raised funds for St. Jude's Children's Hospital.
- PS 101 held a canned food drive in October and November 2016. All donations were given to City Harvest.

4

## Student Led Initiatives

Some of our own students took the initiative to hold their own bake sale to raise money for various causes.

- Sabrina Yuen (501) held a bake sale in November 2016 to raise money for the St. Jude's project held by Mrs. Brocato.
- Mariah Perez (501) held a bake sale in May 2017 to raise money for City Harvest to feed a family of three for over two months.
