Dear Parents and Guardians,

It is the time of year to celebrate and show appreciation to the mothers, fathers, grandmothers, grandfathers, aunts, uncles, friends and important people in our lives. The PTA will hold a **Mother's & Father's Day Boutique** sale as an opportunity for your child to shop presents for that someone special.

The Mother's & Father's Day Boutique will be on Monday May 7th. There will be items be moderately priced from \$1 - \$5. Please send your child to school with any spending money placed in a sealed envelope with your child's name and class labeled. We will open our shop during all lunch periods.

All funds raised will go toward student events and/or instructional supplies for the school. If you have any questions or concerns, please feel free to contact our Executive Board or stop in at any time.

Sincerely,
The Verrazano School PTA
