

Leader in Me Monthly Highlights

Looking back on October...

Student Leaders

-This month our student leaders, led by Ms. Nessas, began carrying out their leader responsibilities. Students were seen doing various jobs such as welcoming others in the morning (Greeter Leaders) and cleaning off the cafeteria tables during lunch time (Cleaner Leaders).

-The Little Lighthouse Team, led by Ms. Bova & Ms. Nessas, kicked off their first Service in Schools Project. They have organized a Candy/Card collection that will be donated to our troops overseas. A drop box is located at our front entrance where students can drop donations.
