Dear Grade Five Parents/Guardians in Classes 504 and 505 ONLY:

Please be advised, grade five students will be eating lunch during period 5 (11:15 - 12:05 pm) instead of their originally scheduled period 6 time slot during our "Winter-101-Land" special school spirit day on Friday, December 21st as follows:

This change in schedule is due to ensure auditorium and lunchroom capacity for all of our students to enjoy some winter fun surprises for a fun-filled and educational day and to ensure students are accommodated appropriately.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Korrol".
