SURVEY

Dear PS 101 Parents/ Guardians:

March 12, 2019

Just a reminder that Learning Environment Surveys must be returned ASAP!

Only about half of the student population returned their survey ... Please help us reach 100%!

If you haven't completed your Parent Survey recently distributed, please know how you can help raise PS 101's school grade on the Progress Report by **filling out** and **returning the Parent Survey** that will be given to your child in a green envelope today. This is your opportunity to tell the Department of Education how much you love all the wonderful things PS 101 does to support your child's education and prepare them for the future.

The results are important to P.S 101's overall success. We have an excellent return rate of surveys every year, but this year we would like to set a goal of 95% or higher in each classroom. Please take a few moments to thoroughly read each question so that the survey accurately reflects your opinion of our school. For example, whenever a parent "Strongly Agrees" with a statement our school receives 10 points for that answer but we only receive 6.6 points for an answer of "Agree's". All the points are added to receive the school's average score.

If you haven't done so yet, please have your child return the survey to their classroom teacher as soon as possible or kindly complete the survey on-line. **Parent surveys must be completed and returned /submitted by March 20, 2019.** If you love something we do, show it on the survey. The higher the grades you give, the higher our school grade can go!

Once you have completed this exciting task, your child will be rewarded with a **FREE Full-Day NO homework PASS.**

Sincerely,

Gregg Korrol, Principal
