Dear PS 101 Families in Grades 2 - 5:

It offers free, full-day summer programming with hands-on STEM activities, enriching reading and math curriculum, and visits to use us, parks and other cultural sites for wonderful experiences. If your child loves to create and want to learn more about STEM subjects- science, technology, engineering and math. Students accepted to the program will spend the summer programming robots, inventing engineering solutions and developing their computer coding and game design skills. Your child will also be engaged in academic enrichment, arts and recreation. **Please sign up if you are interested by April 26th for Summer in the City!**

To learn more about this free, all-day summer programming for students of all ages, please use the **STEM Summer In the City** on-line lottery application from March 18<sup>th</sup> – April 26<sup>th</sup> with the following link: [schools.nyc.gov/summer](http://schools.nyc.gov/summer) or call (718) 935 - 2838 for any questions or concerns.

By signing your student up for Summer in the City, you can ensure they don't experience the "summer slide" and arrive at school this fall ready for success! To learn more about our Summer Academy enrichment programs, including information about student eligibility and how to apply, visit: [schools.nyc.gov/summer-academy](http://schools.nyc.gov/summer-academy).

**Please see the reverse side for detailed information and contacts. Our Parent coordinator, Ms. Margaret Lloyd is also available for any questions or concerns at (347) 563 - 4680.**

Sincerely,

Gregg Korrol  
Principal
