Dear Parents/Guardians:

School safety is a shared responsibility of all members of our school community. Arrival and dismissal are crucial times of the day when all parents dropping off and picking up children from kindergarten through fifth grade need to be aware of and considerate of students walking to and from the building. Please abide by the law and park in a legal parking space, and then walk to and from the school to pick up your child. **Do not double-park your car. Double parking creates a dangerous situation for children and parents on the surrounding block(s).**

It is for the safety of our children that we need to follow these rules and never put your child or another child in unnecessary harm's way. We greatly need and appreciate your cooperation.

Sincerely,

Gregg Korrol
Principal and our School Safety Committee
